

Speaker, Keith Reihl

is a Sustainable Engineer and President/CEO of Reihl Engineering. He is responsible for overseeing the design of MEP systems and provides LEED Consulting for new and renovation projects. Mr. Reihl has extensive experience in commercial, higher education, K-12, residential, data centers, retail, restaurants, high-tech and airport projects. He has managed and engineered literally hundreds of projects throughout the United States. He is a LEED™ Accredited Professional by the United States Green Building Council. Keith is on the board of the Greater Houston Area USGBC Chapter and holds the Technical Chair position. He is also on the board of the ASHRAE Houston Chapter as Treasure and Sustainability Chair. Keith is active in the Construction Industry Council and on the Energy Code Committee and Recycling Committee for the City of Houston. Additionally, he is also on the Gulf Coast Green Committee as the ASHRAE Liaison.

LEED Existing Buildings Operations and Maintenance How to Get Started

An IREM Houston Seminar
