

LEED® Tour &

WHEN? Thursday, February 25 ■ Tour & Reception 5:00 p.m.-7:00 p.m.

WHERE & WHAT? Join industry experts and leaders in the green culture for an informative and casual tour of two impressive LEED® spaces in Houston's central business district. Self-guided tours will have LEED® teams; including Property Managers, Architects, Building Engineers and Contractors on hand to help highlight unique property features and to answer questions about the certification process and challenges. **The two tours will take place simultaneously and attendees can start at either site.**

One tour location, **Walter P. Moore's** new corporate office located at 1301 McKinney, Suite 1100, has been awarded CI (Commercial Interiors) LEED® Silver by the U.S. Green Building Council (USGBC). Among other things, the space features a one-of-a-kind two-flight cantilevered stair.

Our other tour location, **First City Tower**, located at 1001 Fannin Street, has been awarded LEED® Gold certification for an Existing Building from the U.S. Green Building Council (USGBC). The building, which is managed by CB Richard Ellis (CBRE) and owned by FC Tower Property Partners L.P., was recently the first office tower in the Lone Star State to receive this LEED® EB O&M Gold designation.

COST? \$25 per person if RSVP received by 2/22 ■ \$35 after 2/22 or at the door. ■ Includes two tours, two glasses of wine, appetizers, and desserts provided by GreenSquad. Parking at Houston Center Garage One (HCG1) and First City Tower Garage (see attached map), compliments of Crescent Real Estate Equities.

RSVP Reserve your spot by calling 713.783.9225 or emailing adollar@iremhouston.org. Reservations can also be made by faxing this form to 713.783.0283:
