Apply principles to practice by working with real-world scenarios designed to teach you the major aspects of market analysis, effective marketing practices, and successful lease negotiations for office space.

You'll learn:

- Market assessment: Regional and neighborhood analysis, demographic data collection, impact of various economic factors
- Leasing strategies: Stacking plans, office lease negotiation, working with broker relationships and commissions, commercial lease provisions, prospect qualification
- Tenant retention: Efficient resolution of tenant complaints, strategies for increasing tenant loyalty
- All about office markets including office, medical, and leasing retail

How you'll benefit:

- Drive leasing activity and build awareness of your office properties with a compelling marketing campaign
- Secure new tenants and maximize use of available space
- Negotiate commercial leases to suit the owner's objectives and close the deal
